

Cheap-Textbooks.com Announces Expanded Textbook Price Comparison With More Rental And Used Textbook Sources.

San Leandro, CA – July 22, 2010 - Cheap-Textbooks.com, one of the Internets oldest textbook price comparison sites has expanded its price comparison tool with the addition of more textbook rental, eBook and used textbook sites. “Textbook rentals and eBooks are becoming a large part of the textbook solution for college students,” says Bob Jones, Founder of Cheap-Textbooks.com. “We are pleased to be able to add these additional sources to our textbook price comparison service. Pointing students to the cheapest sources of textbooks has been our goal since day one.”

The site now reveals the lowest rental prices from the top textbook rental sites including Chegg, BookRenter, CampusBookRentals and eCampus. The cheapest textbook rental prices are shown alongside the lowest new, used, eBook and International version prices. All prices include shipping providing a true picture of a students total textbook cost. The site also features a sellback price quote section where students can receive quotes from up to nine textbook buyback sites competing for their business. This allows students to compare rental prices against the final cost of buying used textbooks minus the buyback value. Students and parents are invited to give the updated site a try at www.Cheap-Textbooks.com.

###

About Cheap-Textbooks.com: Cheap-Textbooks.com is a free service that searches the Internet for the lowest prices on new, used, eBook and rental textbooks. The original textbook price comparison tool was created in 1999 as a personal desktop application to help founder Bob Jones find the cheapest online price for textbooks while attending UC Berkeley. He distributed the applications to fellow students on floppy disk. The tool was updated to a web application and the Cheap-Textbooks.com site was launched in 2002. The site has seen many upgrades to allow it to continue to offer students a free tool to maximize there textbook savings. Loving to save money Mr. Jones has created other money saving price comparison sites including www.Lowest-Price-Online.com and www.Pet-Supplies-Cheaper.com.
